

## Where Nairobi Learns to Pour Perfection

Five weeks. Real machines. Working baristas as your teachers. Walk in unsure how to hold a portafilter — walk out ready to run a bar.

5 WEEKS · 12 MODULES

**KES 35,000**

### Our Story

Antonov was founded in Ruai, Nairobi, with a simple mission — to raise a new generation of confident, skilled baristas who see coffee not just as a drink, but as a craft worth mastering. Every class happens on real machines, guided by baristas who work the bar every day.

---

## THE PROGRAM

# The 5-Week Journey

A structured journey, week by week — combining theory with daily hands-on practice so you graduate ready for real coffee, real customers, and real opportunities.

### WEEK 1 Foundations & Culture

Introduction to Coffee · From Bean to Cup · Coffee Origins & Varieties

---

### WEEK 2 Extraction & Craft

Espresso Extraction · Machine Techniques · Specialty Coffee Formula

---

### WEEK 3 Milk, Art & Presentation

Milk Texturing · Latte Art Techniques · Drinks Presentation

---

### WEEK 4 Roasting & Sensory

Roasting Fundamentals · Cupping & Tasting · Flavor & Aroma Analysis

---

### WEEK 5 Barista In Action & Beyond

Barista Workflow · Customer Service · Business & Career Prep

---

## Why Antonov

---

- **Train on Real Equipment.** Practice on the machines and tools used in professional cafés.
- **Learn by Doing.** More time behind the machine. More skills that stick.
- **Learn from the Industry.** Guidance from working professionals who understand the bar.
- **Build Skills That Last.** Leave with confidence, discipline, and real-world barista skills.
